 LEARNING LEADERS FROM AROUND THE DEPARTMENT PROJECT

1. Introduction

2. The purpose of this document is to provide a framework for the development of a professional learning community (PLC) that is focused on improving student learning outcomes. This document is intended to serve as a guide for the development of a PLC that is focused on improving student learning outcomes. The PLC should be a collaborative effort between all members of the school community, including teachers, administrators, and parents. The PLC should be a place where all members can share their ideas, experiences, and expertise. The PLC should be a place where all members can learn from each other and grow together. The PLC should be a place where all members can make a difference in the lives of our students.
